

The Promise
John 3:14-21
The Way to the Cross Week 4

What is so bad about darkness?

“Let there be light...there was evening and there was morning, the first day” – Genesis 1:3, 5

...we can no longer see the PROMISE see things in their RELATIONSHIP and everything appears DE-LINKED.

Why do we fear the dark?

1. We KNOW what is GOOD. We KNOW what is BAD.
2. The things that we do that are “TRUE” and “GOOD” and “BEAUTIFUL” those things “have been done in God.”

John 3:16 is “good news.” It is the “best news.” But it is not the only news...this news also reports that everyone who believes in Him may enter into a new kind of PROMISE with God.

The Qualifications of the New Promise

Those “in DARKNESS” are not “in HIM”.

Those who live in the light are “GOD”.
